ROUTE

Starting at the **Floral Pavilion, New Brighton**, walkers should head towards **Fort Perch Rock**, around the **Marine Lake** and then along the promenade embankment through **Leasowe** and **Meols** to **Hoylake**. At the end of **Hoylake Promenade**, turn sharp left along **The King's Gap** and turn right* along **Stanley Road** to **Red Rocks**. A sandy boardwalk leads on from there to **West Kirby** where, at the far end of the **Marine Lake** (by **West Kirby Sailing Club**) walkers should turn left. A right turn into **Macdonna Drive** leads to the **Wirral Way** and then on to the **Wirral Country Park** at **Thurstaston**.

*For wheelchair users and others with limited mobility, see dotted route on map: Do not turn right at Stanley Road but continue up The King's Gap, turning right at the roundabout and then along Meols Drive to West Kirby. Follow on past shops opposite station and turn right into Wirral Way (signposted) to join the main route.
