

Seasonal Flu and Covid Booster Vaccinations 2022 – Updated 8.9.2022

We are now booking appointments for both the Seasonal Flu and Covid Vaccinations.

As per NHSE Guidance these will be co-administered where possible.

- We will be offering vaccinations to the following groups in order of priority for the autumn booster and seasonal flu.
 - week commencing 19th September 2022
 - Aged 65 and Over
 - Under 65 and in a clinical at risk group

 - Week commencing 24th October
 - Aged 50-64 not at risk.
